Form 990, Part III, Line 4d - Other Program Services Description

Other Program Expenses: Other program expenses were \$285,995.

CDE - As part of the COVID-19 relief efforts, the State of California supported child care by distributing several rounds of child care stipends (\$154-\$600 per subsidized child) which were distributed by CRC to child care providers serving families who receive subsidized child care. Stipends were meant to help providers with hardships caused by the pandemic such as reduced enrollment, increased teacher-to-child ratios, additional cleaning costs, and other costs.

Total program expenses were \$267,432.

Contract Stage 1: Stage 1 or CalWORKS Program: CalWORKS' primary purpose is to enable eligible families to accomplish their approved activity, so they can become self-sufficient over the long-term. The Napa County Health and Human Services Department determines which families are eligible for a payment assistance voucher. When a CalWORKS participant is eligible to receive child care services, a referral is sent to Community Resources for Children. CRC works with CalWORKS families to connect them to child care. The Alternative Payment Program then reimburses the child care provider directly for the hours of eligible care used by the family. During 2020-2021, CalWORKS payment assistance was provided to 28 families and 45 children. The majority of these children, most likely, also participated in one of the CDSS-funded Alternative Payment Programs; however, they have only been counted here.

The Child Care and Resource and Referral Program imparts information to parents about the full range of child care and school readiness options available. The program counselors provide families with personalized child care referrals to licensed childcare facilities and offer guidelines for choosing quality child care. The program also maintains data on the supply and demand of child care in Napa County and educates the community about local child care issues and needs. In 2020-2021 the Resource and Referral program received 1,109 request for child care referrals.

The Child Care Initiative Project provides technical support to individuals interested in obtaining child care licenses and delivers training to assist them in developing quality learning experiences and environments for children in their care. The Child Care Initiative Project provided training and support to 102 child care providers and quality early learning tools and resources to 98 Friend, Family and Neighbor (FFN) informal providers.

Total program expenses were \$29,185.

Child Care Stabilization Fund:

In April 2020, as the pandemic wreaked havoc on the child care sector forcing many to close due to sky-rocketing expenses and lower enrollment, CRC established the Child Care Stabilization Fund. Over \$1.25 million in funding was secured to provide relief to child care businesses, preserve the supply of child care slots and support the County's economic recovery. 85 licensed private child care providers caring for more than 1,800 children received business grants ranging from \$3,300 to \$32,500. Additionally, relief efforts included the disbursal of small business grants and

distribution of more than \$100,000 in Personal Protective Equipment (PPE) such as masks, hand sanitizer and gloves. Major funders of the Stabilization Fund include Napa County (CARES Act Funds), Napa Valley Community Foundation, First 5 Napa County, Napa Valley Vintners, Kaiser Permanente Northern California Community Benefit Grants Program, Freed Family Foundation and Health Federation of Philadelphia (Home Grown).

Total program expenses were \$1,026,821.

Form 990, Part III, Line 4c - Program Service Accomplishments

Quality Counts and Early Learning Programs:

Quality Counts provides information, resources, and support at no cost to early care and education programs, including family child care homes serving children ages 0-5. The program goal is to enhance the quality of learning programs and to acknowledge the effort of early childhood professionals to provide optimum learning environments and experiences for the children in our county. There are currently 41 sites (family child care providers, centers and alternative sites) participating in Quality Counts serving more than 8,433 children. Over the past year, participants of Quality Counts have received on-site coaching, quality improvement plans, incentive materials to support quality learning environments and access to free training/workshops for providers.

The Active Minds program is a bilingual, play-based school readiness program for children ages 2 to 4 and their parents/caregivers. Active Minds prepares under-served children to enter Kindergarten by emphasizing parent/caregiver coaching and training. Parents/caregivers are required to participate along with their children; their participation brings sustainability to the program as

Employer identification number 94-2524785

parents/caregivers learn to engage and extend their learning at home. The program utilizes evidence-based practices (Ages & Stages Questionnaire 3 and the Desired Results Developmental Profile) to address the language, cognitive, physical and social/emotional developmental needs of children to prepare them to succeed in school and in life. In 2020-2021, 45 children and their parents/caregivers participated in the program.

The Toy Library and Early Learning Center (TLELC) provides a safe, enriching and inspiring venue for families and caregivers to seek advice about their child's development and access early learning resources to support their child's learning and developmental growth. Quality toys and early learning materials are available for loan at no cost to families and early childhood educators. The organizational system in the TLELC is based on the ASQ developmental domains (social/emotional, thinking skills, communication and literacy, and fine and gross motor skills development) and age appropriateness, creating a research-based selection of toys and early learning materials. CRC staff are available to provide developmental screenings using the ASQ-3 and create Individual Development Support Plans that allow parents/caregivers to match their children's developmental needs with toys and materials. The focus of the TLELC is on modeling age appropriate activities for effective adult-child engagement up until age 5. In 2020-2021, the Toy Library and Early Learning Center remained closed for in-person events and materials check-out. Instead we started serving families through virtual playgroups, developmental screening appointments via Zoom, as well as curbside pickups of early learning activities. We continued to utilize the space in the TLELC to store provider supply distributions for 150 child care providers and caregivers who combined care for more than 1,400 children. In 2020-2021, the Toy Library and Early Learning Center served 395 children and 217 parents/caregivers.
